7

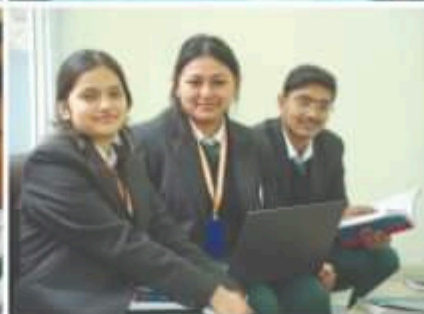

Bachelor of Business Studies-BBS 4 Years Programme

BBS is most lucrative yearly exam based program. This program aims at transforming the students into enviable managers, entrepreneurs and leaders in different business sectors. It also trains students for MBS & MBA level from where the graduates can move to any discipline of their interests. After completion of this program, students will have specialization in general management, marketing management and accountancy. Our institutional links with different business houses, corporate sectors and banks allows our students to have valuable internship and job placement opportunity.

8 Sports and Co-curricular Activities

Education and sports are complimentary to each other. Education remains incomplete without sports and ECA. We are significantly excelling in Cricket, Football, Basketball, Volleyball, Table Tennis etc. since inception. The winner, runner-up trophies, medals and certificates lying in our office shelves is the solid proof that Merryland gives high priority to sports and ECA. The unique features of our college is that all the academic and co-curricular activities are portrayed in our yearly academic calendar published and issued to the students in the beginning of the session.

9 Career Paths in Management

Management education is crucial in today's fast-paced business world. It equips individuals with the skills and knowledge needed to lead organizations effectively, make informed decisions, drive growth and Develop leadership and strategic thinking skills, Understanding organizational behavior and dynamics, enhancing problem-solving and decision-making abilities, fostering innovation and entrepreneurship, building effective communication and teamwork skills are the integral aspects of **Management**.
